**Third Sunday of Lent  
 THE PATH TO FREEDOM**

Most of us, if we were asked "Does the phrase 'the Ten Commandments' appear in the Bible?" would likely get it wrong, because the answer is "no." "The Ten Commandments" is a post-biblical, phrase that developed along with an image of God as police officer that is not found in today's passage from Exodus. The first phrase is the key: God is the one who brings us out of slavery; following God's law or commands is our path to freedom. The moneychangers whom Jesus drove from the temple were not explicitly breaking any of the commandments, but neither were they helping people to find God's path to freedom as they came to worship at the temple. This is an important Lenten lesson for us. We need to stop asking ourselves whether or not we are breaking specific rules or regulations and instead examine our lives to see if we are truly following a path to God's freedom through Christ.
