TODAY’S READINGS

First Reading - Rise up in splendor, Jerusalem! The Lord shines upon you and the glory of the Lord appears over you (Isaiah 60:1-6).

Psalm - Lord, every nation on earth will adore you (Psalm 72).

Second Reading - The Gentiles are coheirs, copartners in the promise in Christ Jesus (Ephesians 3:2-3a, 5-6).

Gospel - Magi from the east arrive looking for the newborn king of the Jews (Matthew 2:1-12).

The Epiphany of the Lord
THE STAR OF BETHLEHEM

The unfolding of the story of the Incarnation continues today as the Church celebrates the Epiphany. The tale of the magi from the East is one of the most fascinating in all of scripture. It has much to teach us about what we can come to expect, even in circumstances and places that may seem insignificant or small. Bethlehem was a tiny town, what we might refer to today as a town without even one stop light. Yet it is over this seemingly insignificant place that the guiding star stops in its own search for the place where the Savior would be born. Too often we fail to recognize the fact that the star of Bethlehem comes to rest in our everyday lives, where we can experience God’s presence, manifested in ever new ways. Epiphany calls us to shake off our stupor and recognize the One who comes to save us.

PROTECTING OUR CHILDREN

Did You Know?
Cellphone Applications May Hide Photos and Messages

A review of a young person’s cell phone text messages may provide a parent or caring adult with information such as who your child talks to, where they are going, and what they’re doing. Unfortunately, all of that may be in the past. Today, some new cell phone text messaging services keep cell phone texting activity increasingly private. In order to protect young people, one must stay current and re-connect with ever changing technology. Las Aplicaciones de Teléfono Permiten Esconder Fotos y Mensajes

La revisión de los mensajes de texto del teléfono celular de un joven puede proveer a los padres de familia a los adultos que lo cuidan, información como con quién habla su hijo, dónde va, y lo que hace. Desafortunadamente, todo eso puede ya ser parte del pasado. En la actualidad, algunos nuevos servicios de mensaje de texto por celular mantienen la actividad de mensajes de texto muy privada. Para proteger a los jóvenes, uno debe estar al corriente y reconectado con la tecnología cambiante. Para una copia del artículo de VIRTUS® “Vanishing, Self-Destructing Texting, and Electronic Communication” (Mensajes de texto y comunicación electrónica y desvanecientes y autodestructivos) envíe un correo electrónico a: bmelendez@la-archdiocese.org o llame al (213) 637-7508.
